Toledo49 American Association Games To-Day. St. Paul at Indianapolis.

Minneapolis at Louisville. Milwaukee at Columbus. Kansas City at Toledo.

Rain prevented the first game of the seponed until next Monday, as it is an open day in the American Association schedule. It seemed a case of hard luck that it should rain yesterday, as it was to have been ladies' day and the champions were prepared for a victory.

There will be two games to-day, the game scheduled for last Thursday having been postponed until to-day on account of the Woodmen's parade. The first game will be called at 2:15. Manager Watkins stated last evening that he will send Ford to the box for the first contest and McPartlin or Williams will pitch the second game. It is very probable that Chech and Stuart will Philadelphia 0 0 0 2 0 0 0 1-3 pitch for St. Paul.

Milwaukee lost yesterday and the Brewers dropped a few points. Milwaukee, St. quite a change in the position of the first ns and Manager Kelly's team are now ighting for second position, with first place Time-1:55. Umpire-Emslie. in sight. Monday will be ladies' day. The Indianapolis and St. Paul teams will leave Indianapolis to-morrow morning at 9 o'clock in a special car on the Union Traction line for Muncie, where they will play to-morrow's game. Both teams will return to Indianapolis to-morrow evening.

Columbus Rallied in Seventh.

COLUMBUS, June 19.-Milwaukee used three pitchers in an effort to save to-day's game with Columbus, but could not stay the batting streak of the locals, who rallied in the eighth and won a game that had seemed hopelessly lost. A one-handed catch of a long drive by Roach, who went to center field after Bannon had been put out of the game, was a feature. Attendance,

CONSTITUTION GAVE THE NEW YACHT'S SAILORS A SCARE.

Hotly Contested Race Over a Triangular Twenty-Five-Mile Course-Columbia Away Behind.

NEW YORK, June 19 .-- If the Constitution did not defeat the Reliance on time allowance in a twenty-five-mile race over the course of the Indian Harbor Yacht Club in Long Island sound to-day, it gave the admirers of the new boat a scare. In more than four hours of sailing Reliance outsailed Constitution by only one minute and fifty seconds, clapsed time. Columbia was again outclassed from the start. Its gain of about twelve minutes on the second leg of the race was due to time wasted by the other boats in a luffing match. Between the leaders the race was hotly contested, first one and then the other getting the better of it by sudden shifts of wind, which, when it began to blow steadily, left the Reliance about one minute ahead. The Constitution's fast sailing to-day was all the more remarkable and makes the boat all the more formidable from the fact that the race was sailed in light winds and smooth water, under which conditions the Reliance has often beaten the Constitution. The course was a triangle, ten miles across the sound, five miles over to the

Connecticut shore and ten miles along that

shore to the finish line. Finish.12:46:52 Constitution12:46:10

AMERICAN DERBY TO-DAY

SIXTY THOUSAND PEOPLE ARE EX-

PECTED TO WITNESS THE RACE.

Iwenty-Three Horses Entered for the \$33,175 Prize-Odds on Savable Now 21-2 to 1.

CHICAGO, June 19.—The American Derby, the greatest turf event of the West, will be run to-morrow afternoon at the Washing-Darter, 103 (Castro), 2 to 1, second; Ocyrohe, Took the Principal Race at the St. ton Park track. If the weather shall be favorable the crowd that will see the race may break all previous records in this country. Officials of the Washington Park Club say they expect to accommodate 60,000 people and assert that the estimate, based on the

> demand for tickets, is conservative. Twenty-three horses are named in the entries for the big race. The event is worth \$25,000 in added money, and if all the horses named go to the post the gross value of the Derby will be \$33,175.

There never was an American Derby field which presented a more open proposition than the one to-morrow. Savable, the favorite for the race, is expected to lose by many more experts than have picked him to win. Instead of becoming a warmer choice as the race approaches, his odds have gone up half a point and he is now 21/2 to 1. A week ago the race looked like a duel between Savable and Irish Lad. A few days later, when the withdrawal of Irish Lad was announced, the event appeared to be Fourth-Six furlongs, handicap: Frank | was announced, the event appeared to be Bell, 117 (Dale), 14 to 5, won; Santa Ven- at the mercy of Savable. Then Linguist and Judge Himes came out and raced Savable to a head in a mile and an eighth race, and the stock of the favorite immediately began to decline. He is still regarded as the most likely winner on a fast track, but there is no certainty that the course will be at its best. Light rains will not hurt it, but the fall of rain this afternoon has dampened it. More showers will make it slow. The track, however, is well drained and will dry out rapidly under a warm sun.

ALL SORTS OF HORSES. The mere fact that Savable is believed to be in over his head has served to increase the size of the field. It is strictly a Western lot of horses and includes all kinds, from Claude, who has won three Western Derbies, to Rate, a horse that has never yet been seen in public. Rate was known at the end of the twentieth round the as Ravel, but a message from Registrar ly his fight for the last five rounds. In Wheeler, of the Jockey Club, gave the in-England last year under the name of Rate and Rate it will have to be in the race to-

Owners of Claude, Judge Himes, Linguist and Gregor K., all horses that are regarded as having a big chance, are anxious for rain. They believe a heavy track will beat Savable and, with the son of Salvator out of the way, they can fight it out among themselves.

Betting on the Derby has been heavier than on any race in the history of the turf. The big betting has all been done in advance of the race in three future books, which have been in operation since last March. Many New York bettors who placed their money on Irish Lad, in the belief that the Brooklyn handicap winner was coming to the race, hedged to-day by wagering on Savable, but Savable's odds advanced despite this play. Bets of \$1,000 and \$500 were placed with the bookmakers by Lasallestreet brokers.

FAST SIX-ROUND BOUT. Buddy Ryan and Charley Neary Fight

to a Draw. MILWAUKEE, June 19 .- Buddy Ryan, of Chicago, and Charley Neary, of Milwaukee, to-night fought a fast six-round draw before the Badger Athletic Club. Ryan had the better of the first two rounds, landing often and blocking many hard blows. In the third round Neary closed Ryan's left eye with a stiff right swing, while Ryan brought the blood from Neary's nose. The fourth round ended with honors even, many hot exchanges being delivered. The fifth was Neary's, in which he landed a stunner on the jaw, but not low enough to land the money. In the sixth Neary went at Ryan hammer and tongs, but Buddy met him at every encounter and the round closed with both men fighting fast.

Twenty-Round Draw. PORTLAND, Ore., June 19 .- Joe Wolcott, of Boston, and young Peter Jackson, of Baltimore, both colored, fought a twentyround draw at the Pastime Club last night.
